Black people in the United States are still a long way from having the same chance in life that white people have.....->(2/09)

The government should raise taxes now as one means of dealing with the federal budget deficit.....->(2/10)

There is nothing wrong with using the CIA to support governments that are friendly to the United States and to undermine hostile foreign governments.....->(2/11)

Large corporations have too much power for the good of the country.....->(2/12)

We should stop building nuclear power plants because of the safety and waste problems.....->(2/13)

There should be a constitutional amendment outlawing abortion.....->(2/14)

The government should institute and operate a national health care program.....->(2/15)

The United States can meet its national security obligations with a much smaller military budget than we have today.....->(2/16)

Defense spending should be cut in half over the next five years.....->(2/17)

Parents should have the right to send their children to any public school that they want to.....->(2/18)

The welfare system should be changed so that able-bodied welfare recipients receive additional benefits for child care and education only if they work.....->(2/19)

Taxes on business should be cut to stimulate the economy.....->(2/20)

Government spending and bureaucracy should be reduced even if it means some government workers might lose their jobs.....->(221)

The Democratic party keeps losing presidential elections because it doesn't pay enough attention on the problems of the middle class.....->(222)

4. I am going to read you two statements. I'd like you to tell me if you agree more with the first statement or more with the second statement, or if, perhaps, you can't make up your mind.
