Title: Gallup/CNN/USA Today Poll: Fall Tracking Poll - Phase 2 and 3 Cumulative File

Survey Organizations: Gallup Organization

Sponsors: Cable News Network (CNN); USA Today

Field Dates: October 20 - November 2, 1992

Sample: National adult (results based on registered voters)

Sample Size: 12629

Interview Modes: Telephone Interview

Weight Location: card 1; columns 13-15 (x.xx)

Usage Notes: There is a discrepancy between the results of the dataset and the press releases. It is believed that the headings of the releases were mislabeled b/c the percentages on the release with the "likely voter" heading match up exactly w/ the "registered voter" sample of the dataset. This also makes sense b/c the "likely voter" results show an increase toward the republican candidate which is historically correct.

Please note that data provided by the Roper Center for Public Opinion Research may not be re-disseminated without written permission. The results of any analyses conducted on the data may, however, be published with appropriate acknowledgments and source citation.
