19. What if a national health insurance plan that covered all Americans would cost everyone an additional $1,000 a year in taxes, but individuals and employers would no longer have to pay any premiums for basic health care coverage? Do you think this would be an improvement over the system we have now, or not?

[1|51]

Improvement.....1
No improvement.....2
DK/NA.....9

20. What if the federal government adopted a system of health care for all Americans, paid for by tax dollars, that would allow people to choose their own doctors and hospitals but would result in longer waiting periods for some of the more complex medical procedures?
