CONNECTICUT POLL

OCCUPATION CODES

Professional and technical (Doctors, lawyers, accountants, nurses, programmers, teachers, consultants, etc.).....01

Business and managerial (Owners of shops, executives of firms, people with titles like "manager of advertising", "assistant co-ordinator of this").....02

Sales workers (People involved in actual selling--salesclerks, sales representatives, and the like; NOT "sales managers").....03

Clerical workers (Office employees, who do not manage others nor sell anything directly, also includes people like ticket agents, travel agents and the like).....04

Skilled workers (Precision maching operators, craftsmen like plumbers, carpenters, and the like. Also includes foremen, shop stewards, and such).....05

Other blue collar workers (Jobs that typically do not require any outside training, even though they may, like truck drivers, require substantial skill).....06

Farm owners and Managers.....07

Farm workers.....08

Service workers (A big category that includes police, fire, airline cabin attendants, household workers, janitors, waiters etc. The common bond is that they provide some service DIRECTLY to members of the public).....09

(Usually 1 and 2; 3 and 4; 5, 6, and 9; and 7, 8; are combined. Thus, the most important "trick" is to classify someone into the appropriate "level"; then it is hard to go too wrong.)
