52. On another subject. Here is a list of some different international agreements. (HAND RESPONDENT CARD) For each one, would you please tell me if you happened to have heard of it before or not?

	HAVE HEARD	*HAVE NOT HEARD*	*DON'T KNOW*	
a. The Strategic Arms Reduction Treaty between the United States and Soviet Union, known as START	1	2	Y	60/
b. The economic integration of the Western European countries, known as EC '92	1	2	Y	61/
c. The General Agreement on Tariffs and Trade involving most of the major countries of the world, known as GATT	1	2	Y	62/
d. The Canadian Free Trade Agreement between the United States and Canada	1	2	Y	63/
e. The North American Free Trade Agreement involving the United States, Mexico, and Canada	1	2	Y	64/

(HAND RESPONDENT CARD) Please tell me which one of the three statements on this card best describes how you personally feel the United States policy should be with respect to international trade and finance.

a. The United States should pursue its foreign trade and financial goals in cooperation with many nations, through the multinational trading system, as we do now 1 65/

b. The United States should pursue its foreign trade and financial goals in close cooperation with its North American neighbors, Canada and Mexico 2

c. The United States should pursue its foreign trade and financial goals on its own, focusing mainly on its own interests 3

54. All things considered, are you generally in favor of or opposed to a North American Free Trade Agreement involving the United States, Canada, and Mexico? 66/

Generally in favor 1
Generally opposed 2
Depends how it turns out (vol.) ..3
Don't know .....Y

55. Now I would like to speak with you about one of these agreements--the North American Free Trade Agreement involving the United States, Mexico, and Canada, which is now being negotiated by the three countries. Here are some of the arguments for and against this free trade agreement. (HAND RESPONDENT CARD) I'd like to know for each whether you think it is a good argument or not a good one. Take that first one *(read item)*. Do you think that is a good or not a good argument for having a free trade agreement with Canada and Mexico? (ASK ABOUT EACH ONE)

	GOOD ARGUMENT	*NOT A GOOD ARGUMENT*	*DON'T KNOW*	
<u>Arguments for the free trade agreement:</u>				
a. Free trade with Canada and Mexico would open up new markets for American businesses	1	2	Y	67/
b. Free trade with Canada and Mexico would put those countries and the United States in a stronger position to compete economically with Europe and Japan	1	2	Y	68/
c. Free trade with Canada and Mexico would bring the governments and people of North America closer together	1	2	Y	69/
d. Free trade with Canada and Mexico would provide consumers in all three countries with better products for lower prices	1	2	Y	70/
<u>Arguments against the free trade agreement:</u>				
e. Free trade with Canada and Mexico would put some Americans out of work because businesses could move operations to Mexico where wages are lower	1	2	Y	71/
f. Free trade with Canada and Mexico would be harmful to the environment because businesses could move operations to Mexico where pollution laws aren't as strict	1	2	Y	72/
g. Free trade with Canada and Mexico would result in more economic tension with other countries not included in the agreement such as Japan and Europe	1	2	Y	73/
h. Free trade with Canada and Mexico would reduce the power of the American President and Congress to change economic policies in the future	1	2	Y	74/

56. Turning to something else. Here are some things that environmentalists have said are problems for us. (HAND RESPONDENT CARD) Would you read down that list and then tell me for each one how serious an environmental problem you think it is--very serious, somewhat serious, not too serious, or not at all serious? k. Electromagnetic fields caused by electric power transmission and distribution lines, electric appliances, computers, etc.	1	2	3	4	Y	16/

57. I am going to read you three points of view regarding pollution control. Please tell me which *one* best represents your opinion.

(READ)

Protecting the environment is *so important* that requirements and standards cannot be too high, and continuing improvement must be made *regardless* of cost 1 17/

OR

We have made enough progress on cleaning up the environment that we should now concentrate on *holding down costs* rather than requiring stricter controls 2

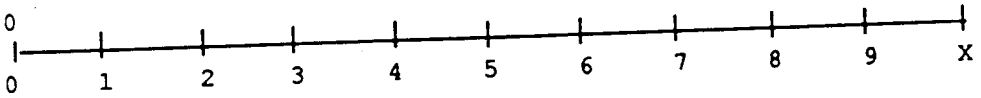

OR

Pollution control requirements and standards have gone *too far;* they already cost more than they are worth 3

Depends (vol.) 4

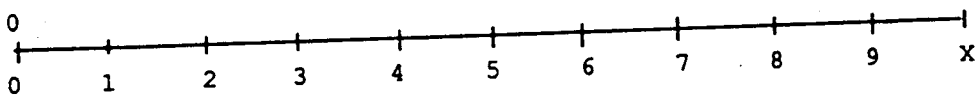

No opinion ..... Y

58. Here is a picture of a ladder. (HAND RESPONDENT CARD) Let's suppose the top of the ladder represents the best possible natural environmental situation for *our country;* that is, all aspects of the environment--air, water, forests, wildlife, waste disposal, noise and the like. Here are some of the arguments for and against this free trade agreement. (HAND RESPONDENT CARD) I'd like to know for each whether you think it is a good argument or not a good one. Take that first one *(read item)*. Do you think that is a good or not a good argument for having a free trade agreement with Canada and Mexico? (ASK ABOUT EACH ONE)

CD-4/5

	GOOD ARGUMENT	NOT A GOOD ARGUMENT	DON'T KNOW	
Arguments for the free trade agreement:				
a. Free trade with Canada and Mexico would open up new markets for American businesses	1	2	Y	65/
b. Free trade with Canada and Mexico would put those countries and the United States in a stronger position to compete economically with Europe and Japan	1	2	Y	66/
c. Free trade with Canada and Mexico would bring the governments and people of North America closer together	1	2	Y	67/
d. Free trade with Canada and Mexico would provide consumers in all three countries with better products for lower prices	1	2	Y	68/
Arguments against the free trade agreement:				
e. Free trade with Canada and Mexico would put some Americans out of work because businesses could move operations to Mexico where wages are lower	1	2	Y	69/
f. Free trade with Canada and Mexico would be harmful to the environment because businesses could move operations to Mexico where pollution laws aren't as strict	1	2	Y	70/
g. Free trade with Canada and Mexico would result in more economic tension with other countries not included in the agreement such as Japan and Europe	1	2	Y	71/
h. Free trade with Canada and Mexico would reduce the power of the American President and Congress to change economic policies in the future	1	2	Y	72/

54. All things considered, are you generally in favor of or opposed to a North American Free Trade Agreement involving the United States, Canada, and Mexico?

57. I am going to read you three points of view regarding pollution control. Please tell me which *one* best represents your opinion.

(READ)

Protecting the environment is *so important* that requirements and standards cannot be too high, and continuing improvement must be made *regardless* of cost 1 17/

OR

We have made enough progress on cleaning up the environment that we should now concentrate on *holding down costs* rather than requiring stricter controls 2

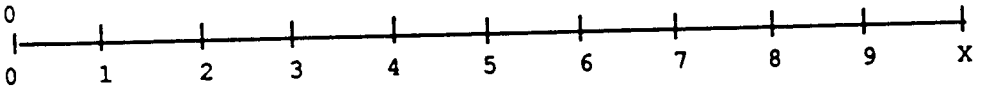

OR

Pollution control requirements and standards have gone *too far;* they already cost more than they are worth 3

Depends (vol.) 4
