Title: Roper Reports 92-6

Survey Organizations: The Roper Organization

Field Dates: June 6 - 13, 1992

Sample: National adult

Sample Size: 1975

Interview Modes: Face-to-face interview

Weight Location: Columns 4418-4422 (xxx.xx) -- Varname: WEIGHT

Usage Notes: Do not use the column guide on the questionnaire as this refers to the original locations for the column binary dataset. This Roper Report survey has three versions, 'X', 'Ya' & 'Yb'. But for all intensive purposes there is only 'X' & 'Y' in the documentation. In the questionnaire, 'W' is substituted for 'X'. The location for the three versions is in column 5. The split sample questions have been recoded in the SPSS data set. In the questionnaire, 'W' is substituted for 'X'. For multiple response questions, '1'=Chosen, '0'=Not Chosen.

Please note that data provided by the Roper Center for Public Opinion Research may not be re-disseminated without written permission. The results of any analyses conducted on the data may, however, be published with appropriate acknowledgments and source citation.

I'm from The Roper Organization and we're conducting a survey about things that are happening today.

1. Considering both the availability and cost of things today, as well as your present financial circumstances, do you think now is a good time to buy things you want and need, or a good time to wait, or is it someplace in between?
