Study of Intergroup Relations in New York City

CD 1 5/1

Time started _____

Hello, I am calling from the office of The Roper Organization, an independent public opinion research organization. We are doing a survey regarding some important issues facing people who live in New York City. We need to interview a sample of all kinds of people and would like to select one person from your household. May I please speak to the youngest male who is at least 18, who lives there and is home now? (IF NO MALE AVAILABLE: Then may I speak to the oldest female who lives there and is home now?)

Before we begin, I would like to assure you that this interview is completely voluntary and confidential. We do not need to know your name.

1. How would you rate the quality of life in New York City -- would you say it is excellent, good, only fair or poor?

	Excellent	☐ 1
	Good	☐ 2
	Only fair	☐ 3
	Poor	☐ 4
(VOL)	Don't know	☐ X

15. I'm going to read some descriptions and ask you to rate each of these groups on a 7-point scale where a score of "1" means you think almost none of the people in that group are that way, and a score of "7" means you think almost all of the people in that group are that way. You may use any number from 1 to 7 to describe how well the description fits or does not fit a particular group. Let's take the description, "rich." What kind of a score would you give (Italians)/(Irish) in New York City on "rich?" (CONTINUE WITH THE OTHER DESCRIPTIONS.)
