MEMORANDUM

To: Users of USA Today/Gordon S. Black Corporation survey data

From: The Roper Center for Public Opinion Research

This USA Today/Gordon S. Black poll is in SPSS-x Export File format. (Please refer to the Import File section of your SPSS-x documentation.) The accompanying questionnaire provides question wording and question order, but response codes do not directly correspond to the information in the Export file. Variables (questions) have been recoded by the survey organization. It is strongly suggested that you run a frequency procedure for detailed information on the response codes.
