1. How much influence do you think the quality of the country's education system will have on the economic future of the United States -- a great deal of influence, some influence, not much influence, or no influence at all?

A great deal..... -1
Some..... -2
Not much..... -3 22
No influence at all.... -4
Not sure (VOL.)..... -5

2. How would you rate the quality of the education system in the United States today -- excellent, good, fair, or poor?

Excellent..... -1
Good..... -2
Fair..... -3 23
Poor..... -4
Not sure (VOL.)..... -5

3. Do you think the quality of the country's education system is directly hurting your company or business a lot, somewhat, only a little, or not at all?

A lot..... -1 24
Somewhat..... -2
Only a little..... -3
Not at all..... -4
Not sure (VOL.)..... -5

I'd like to ask you some questions about proposals people have made to reform the country's education system.

4. Some people have proposed having students attend school year round rather than nine months. Do you think this is a good idea or a bad idea?

Good idea..... -1 25
Bad idea..... -2
Not sure..... -3

5. Do you think the U.S. government should create a financial aid program similar to the G.I. Bill that benefits young people who perform important non-military services in charities, health care, and other fields, or don't you think so?

Government should create non-military G.I. Bill..... -1 26
Government should not do this..... -2
Not sure (VOL.)..... -3

Now I'd like you to think about the programs and subsidies some businesses and corporations have set up to train students in the skills they will need in the workplace.

6. Is this something the private sector should be involved with, or should this be left to the government and the country's school system?

Private sector should be involved..... -1
Leave it to government and schools..... -2 27
Not sure (VOL.)..... -3

7. Should the private sector be primarily responsible for improving the country's education system, should the private sector and government be equally responsible, or should the government be primarily responsible for that?

Private sector primarily responsible..... -1
Private sector and government equally responsible..... -2 28
Government primarily responsible..... -3
Not sure (VOL.)..... -4

8. Would you favor or oppose increasing the amount of money for training students by taxing the businesses and corporations which would benefit from the improvement in the job skills of their future employees?

Favor..... -1 29
Oppose..... -2
Depends (VOL.)..... -3
Not sure (VOL.)..... -4

9. Would you favor or oppose tax breaks for businesses in order to underwrite the costs of increased training in job skills?

Favor..... -1
Oppose..... -2 30
Depends (VOL.)..... -3
Not sure (VOL.)..... -4

10. Do you think that public schools in this country are doing a very good job, a good job, a poor job, or a very poor job of educating children?
